

The Center for Disease Control Says...

- If you have been sick, feel sick in any way, or have been in contact with a person with COVID-19 please stay home.
- If you are 65+ that you should avoid public worship services.

What Will Be Different

- The services in the sanctuary will have a maximum capacity of 125 people.
- Additional “spaces” in the church (ie: fellowship hall, gym, classrooms) will serve as overflow areas where people can watch the service on YouTube observing social distancing guidelines.
- Greeters will help people social distance as they enter the facility.
- The Gathering Place will be closed which means coffee and donuts will not be available.
- Ushers will seat you and your family following social distancing guidelines.
- Following the service, participants will be dismissed in a directed and controlled fashion.
- Any “congregating” of people following the service will be directed to take place outside the building.
- Masks and gloves will be required for serving volunteers (ushers, greeters).
- Masks are strongly recommended but not required for attendees.
 - Service attendees will be seated in areas with others who are either wearing masks or not wearing masks.
- Masks will not be required for worship team members or the pastors who are leading the services.
- Bathrooms will have disinfecting wipes available for users to disinfect surfaces they may need to touch.
- Children’s Church will be offered using proper distancing rules, eliminating crafts and other hands on learning. Initially only offered during 2nd service.

We truly appreciate your flexibility and support as we continue to adapt and make changes as we are given permission to do so. Do not hesitate to contact us if you have any questions.

In Christ,

Pastor Mark, Pastor Troy and The Log Church Elders
