

## ***NEXT STEP ... for a New Believer***

If you were moved today to “say yes” to the opportunity Jesus has given you to become one of his followers let us be the first to say “Congratulations and welcome to the family of God! We are so excited for you!” Your journey has just begun and now we would like to help you figure out what would be the best “next step” for you to take so that you can learn more about God and how to live your life as a Christian. Please provide your contact information below and give this card to an usher, pastor or even the people in the sound booth in the back of the church. This card, with your contact information, will be kept confidential and only given to Pastor Mark and Troy who will be contacting you to get together so they can help you figure out what is the best “next step” for you to take.
