CONNECT WITH US Sunday, April 11th through Worship

Welcome to The Log Church!
Today we start a new sermon series entitled "True Riches" based loosely on a book written by

John Cortines & Gregory Baumer that was given to me by another pastor a year or so ago. The subtitle probably captures the direction we will be going over the next four weeks the best which is "What Jesus really said about money and your heart." Today we examine our hearts in relation to money in the direction of pride vs. gratitude.

You can purchase a copy of "True Riches" for \$12 at the welcome center in the Gathering Place following the service or by contacting the church office. I found the book to be very practical and helpful and something that is good for individuals, couples or a small group.

Tuesday, April 20th
6:30 pm

National Speaker, Tasha Schuh, will be speaking at The Log Church on Tuesday, April 20th at 6:30pm.

Tasha suffered a tragic theater accident that left her paralyzed from the chest down. She has been inspiring and challenging her listeners to overcome and persevere, no matter what life throws their way.

-- ADMISSION IS FREE --

This presentation will also be livestreamed on our YouTube channel, accessible through our website homepage.

NEW SERMON SERIES

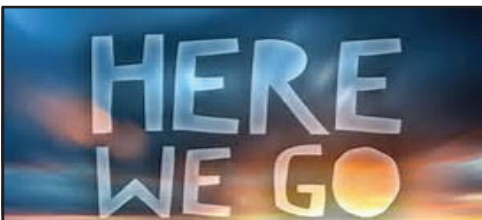

TRUE RICHES

Jesus knew that how we think about money shapes our character. Our approach can make us ore like him -- full of contentment, purpose and freedom -- or it can cause a tragic separation from God and the joy he offers. In this series, based on the book by the same name, we'll contrast the financial-attitudes that weigh us down with those that give us life.

- April 11 Pride to Gratitude
- April 18 Indifference to Love

"Here We Go!" by Pastor Mark Holmen

What was the topic Jesus talked about the most while he was here with us?

Hint...He talked about it more than heaven and earth combined.

Hint...There are roughly 2000 verses in the Bible on this topic.

Hint...Jesus talked about it 15% of the time.

Did you guess it yet? It's the topic of money. So for this devotional I want you to spend some time thinking about, and/or discussion with your family and friends the following things...

1. What are the first thoughts or images that come to mind when you think about money?
2. What are the thoughts or feelings you have when you hear the church is going to be doing a four week series about money?
3. What has the church taught you in regards to money?
4. What Bible verses/passages come to mind when you think about money?

5. What is something you have learned about money over the years?
6. What is something you wish you would have known then that you know now about money?
7. Where is your heart at (passion towards) when it comes to money?
8. In what ways do you honor God with your money?

Using your concordance, or by going to <https://www.biblemoneymatters.com/bible-verses-about-money-what-does-the-bible-have-to-say-about-our-financial-lives/> review a few verses each day and what they have to say about money.

Dear Lord, I look forward to seeing what you will reveal to me about money over this next month. My heart and mind are open as it is clearly something that you feel is important for me to know and embrace because you had so much to say about it. Amen.

TECHNOLOGY FUND

Thanks to everyone who stepped up during the matching fund campaign. Your giving will help us complete the live stream updates very soon. The Technology Fund is an ongoing fund to help the church keep up with our technology needs. In the coming months we will need to get a new computer for our new Youth & Young Adult Director, some upgrades to our worship software and microphones, we even hope to increase our capacity for making videos for our various ministries. The Technology Fund is our tool to keep our ministries well equipped to reach our world for Jesus in the fast changing virtual world.

A NEW TEAM IS FORMING!

We are creating a new ministry for our 55+ attenders. The goal of this ministry will be to cultivate friendships within the church, fellowship together with food and fun activities and to serve the church by doing some ministry projects together. If you would like to help launch this ministry please contact Pastor Troy at troy@crosslakeefc.org or by calling 612.581.2225. An organizational meeting will be coming soon for a June 3rd launch
