CONNECT WITH US Sunday, May 2nd through Worship

Welcome to The Log Church! This Sunday we finish our sermon series entitled "True Riches" based loosely on a book written by John Cortines & Gregory Baumer.

The subtitle probably captures the direction we will be going the best which is "What Jesus really said about money and your heart." Today we examine our hearts in relation to "Anxiety vs. Trust".

You can purchase a copy of "True Riches" for \$12 at the Welcome Center located in the Gathering Place following the service or by contacting the church office.

Quote by theologian
Richard J. Foster

"If what we have we receive as a gift, and if what we have is to be cared for by God, and if what we have is available to others, then we will possess freedom from anxiety. This is the inward reality of simplicity. However, if what we have we believe we have gotten, and if what we have we believe we must hold onto, and if what we have is not available to others, then we will live in anxiety."
