CONNECT WITH US Sunday, May 30th through Worship

Welcome to
The Log Church!

This Sunday
we wrap up our
sermon series
entitled "True
Riches".

Vision Sunday

"Where there is no vision the people perish." Proverbs 29:18
What is the vision God has given us as a church? If we don't know where we are going, how can we know if we are getting there? I believe God has a very unique, specific and clear vision that he has given us which I look forward to sharing with everyone.

“Seeing With New Eyes” by Winn Collier

[Don't look] to your own interests but each of you to the interests of others. Philippians 2:4

A video game, one that's become a cultural phenomenon, places a hundred players on a virtual island to compete until one player remains. Whenever a player eliminates you from the contest, you can continue to watch through that player's vantage point. As one journalist notes, “When you step into another player's shoes and inhabit their point of view, the emotional register ... shifts from self-preservation to ... communal solidarity ... You begin to feel invested in the stranger who, not too long ago, did you in.”

Transformation happens whenever we open ourselves to see another's experience, looking beyond our own vision and encountering another's

pain, fear, or hopes. When we follow Jesus' example and “do nothing out of selfish ambition or vain conceit” and instead “in humility value others above ourselves,” then we notice things we would have missed otherwise (Philippians 2:3). Our concerns broaden. We ask different questions. Rather than being preoccupied with only our own needs or angst, we become invested in others' well-being. Rather than looking to “[our] own interests,” we become committed “to the interests of others”. Rather than protecting what we assume we need to thrive, we joyfully pursue whatever helps others flourish.

With this transformed vision, we gain compassion for others. We discover new ways to love our family. We may even make a friend out of an enemy!
