

Marriage Date Night

OUR MINI-DREAMS

Best Use

Use as a date night discussion guide to help create a pattern of fun dates and creative times for couples to connect with each other throughout the year.

Advance Preparation

- Schedule a dinner or coffee date within the next few weeks.
- Each spouse chooses at least three items found on the reverse side that he or she would like to do together.

During the Date

1. Each spouse takes a turn sharing their top three choices.
2. Spend some time dreaming up other things to do together.
3. Plan and schedule two additional dates – taking turns selecting from this list to start living your mini-dreams.
