## Stay CONNECTED through Devotions "Worry = Stress & Separation"

submitted by Sarah Dawdy

Matthew 6: 34 "Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own!"

Worry is like a thief that robs you of time, energy and hides precious moments in our lives. When you find yourself caught up in such thoughts, recognize that worry is separating you from your Heavenly Father. Jesus shared detailed instructions on how we should lead our daily lives and how FAITH should shape our behavior not worrying. It was such an important life lesson that Jesus spoke at length during His Sermon on the Mount. (Matthew 6:25-34)

There is a mighty battle going on for control of our minds in today's world. Making God's Kingdom the center of our lives frees us from the anxiety that separates us from Him. Although we all have things in our lives that causes us to worry, choose to lay down each day's worries at God's feet.

"Lord, forgive us for not trusting You with our problems and for letting our worries become a wedge in our faith. Give us the strength to put them in Your hands and avoid trying to take them back. Help us to trust You more and believe You are always in control of our lives and the things that worry us the most." Amen
