## CONNECT WITH US Sunday, August 22nd through Worship

Welcome to the Log Church and our "Greatest Sermon Ever Preached" series based on the Sermon On The Mount. To prepare for the message here is a great quote to ponder from Henri Nouwen, *"Often I have asked myself, what would it be like if I no longer had any desire to judge another? Or be controlled by the judgment of others? I would walk the earth as a very light person indeed."*

Stay **CONNECTED** through Devotions “When to Judge”  
from Our Daily Bread submitted by Mary Amiot

Matthew 7:1-12

Many people believe that Christians are told never to judge others. As “proof,” they quote Jesus’ words in Matthew 7: “Judge not, that you be not judged” (v.1). But a closer look at what Jesus said shows that there are times when we must make judgments.

In verses 1 to 5, Jesus warned us how easy it is to be blind to our own faults while we pick at the faults of others. In verse 6, however, He showed us the necessity of judging. He told us, “Do not give what is holy to the dogs; nor cast your pearls before swine, lest they trample them under their feet, and turn and tear

you in pieces.”

To follow Jesus’ teaching, we must learn the difference between judging people and evaluating situations. But who among us is wise enough to consider any situation without condemning or judging the persons involved? That is why, in verses 7 to 11, we are told to earnestly ask, seek, and implore help from our heavenly Father. “Your Father who is in heaven [will] give good things to those who ask Him” (v.11).

Whenever we must make judgments, we must prayerfully bear in mind that our God is the one who “will bring every work into judgment, including every secret thing, whether good or evil” (Ecclesiastes 12:14).
