

TLC CONNECT

OBEY

CONNECT WITH US Sunday, Nov. 14th through Worship

Every person alive is in the process of becoming more — or less — like who they were made to be.

But who are we? What are we here for?

And how do people

change? The gospel reveals that Jesus is the answer to all three questions: We are made in His image, and we are called to become more like Him in all our thoughts, desires, and character. Yet this transformation is impossible to maintain by self-improvement and moral restraint alone. Rather, it takes a gradual process of “working out what God works in” through the saving grace of Jesus and the power of His Spirit.

Nov. 17 Did the Resurrection Happen? Along with questions regarding the death, the resurrection of Jesus is under

scrutiny. It is the pivotal point of the Bible, let alone human story. We will consider the evidence for the resurrection and how this confidence can bring us to the point of making the step of faith in Jesus. See Mike's YouTube channel at: https://www.youtube.com/channel/UCgjQXEjGoZ1bN8cVvJFcP_A

Stay CONNECTED through Our Log Church HEARTBEATS

submitted by Pastor Mark Holmen

This Sunday, at the Congregational Meeting, we will be approving another group of new members which is always exciting. During the membership class, one of the things we cover are The Log Church "heartbeats" which are the things that matter most to us as a church. We are sharing these heartbeats in the TLC CONNECT so we can all be reminded of these passions that we share. Here is another one of those heartbeats.

Lost People Matter

At The Log Church, we believe in doing whatever it takes to reach people who are currently not engaged with or connected to Christ and Christianity. Our focus is not

on the 99 who are here but on the one who isn't (Luke 15) and we believe in continually trying new things to reach those who are apart from God. You will see "Start Your Sunday Funday at The Log Church" yard signs, Log Church car window stickers, radio ads, our website and even an occasional TLC Times newspaper as intentional efforts to reach people who currently aren't connected to God or going to church. Yet, ultimately, the number one way people far from God decide to attend church is through a personal invitation which is why EVERYONE at The Log Church is called to do whatever it takes to encourage and invite people to: "come and see" what a life with Christ is all about.
