Feel free to share today's message with your friends as it will be posted on our "Crosslake Worship" YouTube channel and come back next week to hear what Joseph has to share with us.

PASTOR TROY'S SUNDAY BIBLE STORY CLASS

YOUNG ADULTS EVENT

Monday, Dec., 13th: College Cooking with Maria Holman 6-8 pm

She will be joining us to show some easy things to cook. I'd hate for your diet to be mostly Ramen noodles, so here is an idea or two. As always, bring a friend and come for some fun.

As always, you can hang out longer if you wish and we tend to enjoy a little extra time. Please email Mike at mike@crosslakeefc.org if you will be attending so we have enough supplies.

HUNGRY HEARTS

Join us on Monday, Dec. 6th at 6:30pm for "Hungry Hearts" Prayer Gathering

In the New Testament we see over and over the followers of Jesus gathering together in prayer. These were hearts hungry to spend time with their Lord and Savior. They were moved by God's Holy Spirit in unity and love to reach out to God our Creator. Do you long for God's touch? Will we gather in prayer like the disciples of old? Do you have a "Hungry Heart?" Join us in the Prayer Room and experience the power of our Great and Mighty God.

Christmas Eve Services

CANDLELIGHT SERVICES

Friday, Dec. 24th
3:30 and
5:00 pm

Both services will be live-streamed on our YouTube channel "Crosslake Worship".

Stay CONNECTED through The Log Church HEARTBEATS

submitted by Pastor Mark Holmen

During our membership class, one of the things we cover are the Log Church "heartbeats" which are the things that matter most to us as a church. We are sharing these heartbeats in the TLC Connect so we can all be reminded of these passions we share. Here is another one of those heartbeats.

Making a Difference Matters

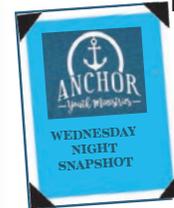

We believe we have been called to make a difference in the greater Crosslake community as well as all across the world which is why over 15% of all we receive is given to community outreach and global missions. One example of this is that we recently discovered that over 25% of people in Crow Wing County have some sort of mental health condition, whether

that be bipolar, anxiety, depression or PTSD, yet very few services are offered in Crosslake to help people with mental illness. Therefore, in partnership with the county and with assistance from many area agencies, we have developed a comprehensive mental health ministry that will provide Awareness Events, Support Groups, Counseling Services, Professional Training, Children and Youth Programs and other resources to our community. This is just one of MANY ways we have been called and led by God to make a difference in our community and in our world and we believe EVERY household needs to "adopt a mission or missionary" so that they are personally engaged in making a difference in the world as God has called us to do in Matthew 25.
