

Seeking Holy Sexuality Resource Guide

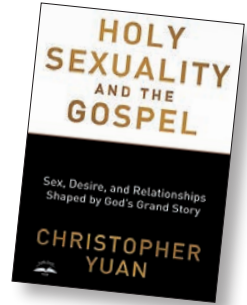

Questions over sexuality and gender have become controversies, leading to arguments, divided homes, hurt people, and unrest. This is certainly not what God had in mind. God's design was for all humanity to pursue "Holy Sexuality" over and against all other forms and expressions of sexuality. This is not easy for anyone and is only becoming more difficult in our hyper sexualized world which is why we have put together this "Seeking Holy Sexuality" resource guide.

This guide provides a variety of recommended resources on a myriad of topics giving you access to some of the nation's leading experts who can truly help you navigate whatever situations you may find yourself in. Additional resources, along with the message Pastor Mark Holmen gave on Holy Sexuality can be found on our website. www.crosslakeefc.org
