### DEVOTION - Living Water

submitted by Madelyn Erickson

It's a busy time of year and I can imagine that everyone is looking forward to green grass, the buds on the trees and bushes, and the smell of fresh air after a rain! The hummingbirds are back and looking for flowers to feed on and there aren't many to choose from so I need to help them live and thrive by keeping the feeders filled with life giving drink!!

It's so true of our spiritual lives too! We can look all around us and seek to be filled with the things around us; but scripture says that to be filled with hope and power from the Spirit of God we need spiritual food! Life giving water!

Jesus said, "If anyone is thirsty, let him come to me and drink. Whoever believes in me as the Scripture has said, streams of living water will flow from within him!"

The way we drink in Christ Jesus is to spend time in prayer, studying God's word, and listening for God's voice to speak to us!

Some days I let "other voices" speak to me; the voice of doubt, failure, disappointment, fear and then what happens to me is living with lack of purpose and joy! What voice am I going to listen to!?? I choose to trust God and the promises He reveals to me through His word!

Let's drink together this summer on the living water of Christ Jesus and encourage one another to study God's word!
