WEDNESDAY NIGHT YOUTH GROUP

It's summer time in Minnesota. That means more sunlight, more fun, and variety in our Wednesday night program. We will continue to meet from 6-8 PM with a variety of activities going on.

Wed., June 8th God vs. Purpose

There are placards, memes, and famous sayings about how we are destined for greatness because we are, well, us. How do we come to that conclusion? What if "us" just isn't living up to our standard? We examine how a purpose from the designer we talked about the week prior also gives a deep meaning to our existence.

The current session of GRIEF SHARE will end on Wed., June 8th. We would like to start the next session back up on Wed., July 6th and continue until Sept. 28th.

DEVOTION - We Are Not Alone

submitted by Pastor Mike Neumann

Hebrews 4:14-16

It would seem that the world is pretty bleak right now. A war in eastern Europe. Violence at schools and grocery stores here. Disruptions of jobs and finances at home. Life is kind of hard right now.

Maybe some of you reading this are doing quite well. With all the sincerity in my heart I say: good for you. I'm glad things are well for you. It's great to hear a story of success.

What do these two experiences of life have in common? Prayer. I know it's so obvious! We pray because we are connecting with a God who not only was human

like us but is also beyond that and capable of handling what we have going on.

Life is going well? Praise God because He has a bigger plan than your circumstances for that blessing.

Life a struggle right now? Come before God because your struggle is part of something bigger.

We are not alone. We are not helpless. The God of the universe knew what the human existence was like and can connect that a bigger, glorious purpose. Jesus told His disciples when they were disheartened to take heart, because He has overcome the world.
