DEVOTION - Do You See Me? *submitted by Naomi Nelson*

As I sat in a teepee during a mental health workshop, I noticed my mind wandering away from my original plans of our curriculum for the day. Uncertain of where God was leading me I stepped out in faith and asked the spirit to guide each word and activity. So I asked the kids to draw a picture of an event or story in their life. I watched as some smiled, some more serious. They began to share, one boy talked about falling off a bike, another about meeting a cousin for the first time, and one of hitting a baseball far into the field. God had been reminding me all week "I have been in every part of your story, do you see me?" So I

asked each kid to draw God in their picture. The kids shared how God was a protector, a friend, and then a brave young boy said "God was there in the stands". Oh how sweet it is to have a personal God. Yes, God was there in the stands dear one, cheering you on as you hit that baseball. I couldn't help but feel encouraged by the joy that comes from acknowledging the presence of God in our lives. "Proverbs 27:17

As iron sharpens iron so one person sharpens another." Thank you young one, for sharpening me. God is there, in every part of your story. Do you see him?
