**DEVOTION - God Has a Bigger Plan**

*submitted by Pastor Mike Neumann*

*Hebrews 4:14-16*

It would seem that the world is pretty bleak right now; a war in eastern Europe; violence at schools and grocery stores here; disruptions of jobs and finances at home. Life is kind of hard right now.

Maybe some of you reading this are doing quite well. With all the sincerity in my heart I say, "Good for you. I'm glad things are well for you. It's great to hear a story of success."

What do these two experiences of life have in common? Prayer. I know it's so obvious! We pray because we are connecting with

a God who not only was human like us but is also beyond that and capable of handling what we have going on. Life is going well? Praise God because He has a bigger plan than your circumstances for that blessing. Life a struggle right now? Come before God because your struggle is part of something bigger.

We are not alone. We are not helpless. The God of the universe knew what the human existence was like and can connect that a bigger, glorious purpose. Jesus told His disciples when they were disheartened to take heart, because He has overcome the world.
