Health Tip from FCN Team CAR SICKNESS IN CHILDREN

Car sickness is a type of motion sickness. Motion sickness occurs when the brain receives conflicting information from the inner ears, eyes, and nerves in the joints and muscles.

Prevention:

- Reduce sensory input: encourage your child to look at things outside the car
- Don't give your child a large meal immediately before or during car travel (small bland snackst)
- Provide air ventilation
- Use distractions: Listening to music or singing songs

Please checkout the health and wellness room for more information on children's health during the month of September!

DEVOTION - Tithing *submitted anonymously*

Submitted anonymously by a non-staff Log church member to give God all the glory! In a Bible full of promises and miracles, tithing is the one area where God has allowed us to test him. Malachi 3:10: "**Bring the whole tithe into the storehouse, so that there may be food in My house, and test Me now in this,**" says the LORD of hosts, "if I will not open for you the windows of heaven and pour out for you a blessing until it overflows."

Tithing is generally defined as giving a first 10% of our earnings or increase to God. God uses our obedience to tithing as a test in whether we will truly trust Him, especially with something we deem as important as money. Today, as

in historic times, tithes support the practicalities of staff salaries, heat and lights and a venue for us to share the message of salvation through Jesus Christ.

I would lovingly challenge you to let tithing become second nature if it isn't already. If you aren't sure exactly what tithing should look like in your own life and financial situation, pray sincerely for clarification and the Lord will show you! God gives us bountifully not just so that we can live blessed lives but so we can help others. Let giving flow freely and cheerfully from your heart, every day. If you do, I believe that you will find, as I have, that the 90% left after tithing will go further than if you kept 100% of your earnings!

WEDNESDAY YOUTH GROUP WED., SEPT. 14TH

Investigating Jesus: The Coming King

This story is Luke's account of Jesus' birth. Why is it so important? Isn't this just stealing from other stories?

PRAYING YOUR PRODIGAL HOME

The Watching the Road book study will stir your faith, strengthen your resolve, and provide strategic tactics for your journey. Experience the struggle and thrill of one woman's determination to not give up but tenaciously trust God to fulfill His promises. As you'll see, He kept every single one.

This 5-week study will start Monday night Sept. 26th. Please sign up by emailing janjvrooyen@gmail.com

ARE YOU WIDE-AWAKE IN PRAYER?

Church family, we are admonished in I Peter 4:7 to be wide-awake in prayer! To keep spiritually awake because of the hour we live in.

As we look around do we see areas that need the power of God at work? It's our bold, FAITH-filled prayers that move God's heart and hand! Let's pray!

OPPORTUNITIES:

- 1. Hungry Hearts Prayer Gathering:** EVERY FIRST MONDAY of the month, 6:30-8:00pm in the Log Church Prayer Room. We gather on these Mondays to quiet our hearts so we can hear what the Lord would have us pray!
- 2. Monday Night Encounter:** EVERY MONDAY (except the first one), from 6-8:00 PM we open up the church sanctuary and prayer room, lower the lights and put on worship music as a place for people to get away from distractions and just "be still" as they encounter GOD's HEART in prayer and reading the Word.
- 3. Sunday Morning Prayer Team:** We are always looking for individuals/couples who want to join us in praying for others after church services. If interested, let Sarah in the church office know! There is a mandatory training night we offer for anyone participating in this ministry!
- 4. Email Prayer Chain:** Interested in praying for needs as they arise? Talk to Sarah in the church office if you would like to be added to this list.
- 5. Prayer Shawl Ministry:** Love to crochet and pray? Contact Sarah in the church office!
