DEVOTION - Are You Talking to Me God?

submitted by Sarah Dawdy

Are you sometimes surprised by the people God chooses to use and through whom He works? I am often surprised at the things He asks me to do! I love and trust Him but I am not the most educated or talented person in the room! Why me? Because God's anointing (His presence and power in our lives) qualifies us for His use--not who we know, what we own, how much education we have or how naturally gifted we are. This is good news because it means that God can and will use everyone who makes themselves available. We don't have to have

the ability, just **availability!** When God chooses those who are least likely to be chosen, it causes us to give God all of the glory for what He does through them! Never count yourself out. Just give yourself to God and ask Him to use you as He desires -- and get ready for anything! **All things are possible with God!**

Matthew 19:26 Jesus looked at them and said, "With man this is impossible, but with God all things are possible."

Philippians 4:13 "I can do everything through Him who gives me strength."
