WELCOME TO THE LOG CHURCH - OCT. 9TH

God of War Exodus 1-15

The story of the Exodus is more than God saving His people from slavery. It's about God's cosmic war against the false gods of Egypt. His cosmic war didn't stop there and it's still going on today and He declares war on our idols.

DEVOTION - Knowing God *submitted by Tim Terrill*

I don't know about you, but when I don't understand something completely, I tend to generalize and simplify it so I can categorize it in my brain. Take basketball for example. I may not understand all the rules, but it's five guys, on two teams, trying to put a ball through a hoop. That's sometimes how we categorize God in our life. We file Him in the MORAL BOX where he corrects me when I do wrong, and rewards me when I do good. That level of understanding is very simplistic and really doesn't help me or others that we interact with grow in maturity.

The christian life is about discovering God, not just discovering God and how he interacts with me. God wants a relationship with you, but relationships are complicated and multidimensional.

I encourage you to fully understand God by reading your Bible daily so that you can get to know God. Then God will reveal Himself to you, and you can begin a fulfilling life and not just a knowledgeable one.
