DEVOTION - Idolatry *submitted by Lee Shelstad*

“Oh Israel, stay away from idols! I am the one who answers your prayers and cares for you.” Hosea 14:8-9

In my study in Hosea this last week, I was reminded of the ever continued sin of idolatry in Israel. Yep, and you guessed it, the Lord revealed the same in me. Can you believe that cancer can be idolatry? Even the ministry. Why? Because I think about it day and night. My mind gravitates towards the thoughts in those issues instead of the mind of Christ. My quiet time became less, hardly ever listening to Christian music, and when my trial would arise I would go to a doctor or other human for resolve instead of seeking my

Jesus for wisdom. Dangerous for sure! Idolatry does not have to be a material thing we don't want to give up, it can be whatever takes up our time instead of our Lord.

Dan and I were so thankful for the prayer time with the church family as this time revealed so much dirt within my own heart. As the Lord restored Israel by their repentance I too was restored by not only the prayer but His loving wooing and reminder of what I need to change. Jesus time and in all forms throughout the day has to be a priority. Without HIM we will be spindelling into an idolorous life instead of a redeemed, restored, and renewed one.
