## MATCHING GIFT OPPORTUNITY

The church has two matching gift opportunities that you can give towards. The first is a \$10,000 matching gift toward replacing the two aging church vehicles with a new one. The second is a \$20,000 matching gift toward the church building fund. The church needs to hook up to the new sewer line by September and it's time to resurface the parking lot. This matching gift will help us towards accomplishing these projects. Simply designate which fund you would like to give toward in the memo of your check or online giving note.

Here are just a few of the most recent additions:

Books for Students - Stand Your Ground (Introductory Apologetics for Students)

You'll find these titles and more located on the long table by the windows.
