DEVOTION - Believe It When I See It submitted by Sarah Dawdy

John 20:29 Then Jesus told them, **“Because you have seen me, you believed; blessed are those who have not seen and yet have believed.”** What a declaration that Jesus bestowed onto His disciples about how deep one's faith and belief in Him comes without having ever seen Him. How many people need to see something in order to believe it? How many people need proof before they can believe in anything? Let the simple moment of wind blowing or the chill of cold air surround you to realize that we can feel even when we cannot see. Miraculous gifts of FAITH are with us everyday.

The written scripture tells us Jesus shared with the disciples His blessing on US, His children, who believe and have an unfaltering faith even when we have not seen Him. Let that sink in for a moment. Two thousand years ago He knew and loved us. We don't physically see and touch the wounds of the resurrected Christ, but we have the eyewitness testimony of those who did. And the greatest unseen gift bestowed to us by our Lord when we accept Him as our personal Savior, the veiled Holy Spirit enters our bodies forever. Perhaps more people should exclaim “Believe it when you feel it!” Amen.
