## DEVOTION - Every Word Begins with a Thought

*submitted by Sarah Dawdy*

Luke 6:45 "The mouth speaks what the heart is full of."

Every word you speak and every action you take begins with a thought. The thought may be fleeting, but you won't speak or do anything unless you have thought of it first! Thoughts and words have an important impact on your life. Use them wisely. Remember words also have the power of darkness when we use them for deceit and harm.

There have been times where words have impacted us for good. It could have been a compliment, scriptural verse or reading a devotional. Words have so much influence they can cause a person's life to change. Words have the power of life when

we share the good news of Christ with others and encourage fellow believers. As Christians, we should use our words to graciously build others up. The Bible makes it very clear the value in having kind and thoughtful words rather than quick retorts. Small gestures of kind and gracious words may make someone's day or even change their perspective. Please consider sharing your thoughts and words through a devotional for The Log Church family through the TLC CONNECT! God will indeed use you to share HIS message through your thoughts and words!

Please send your devotional to [sarah@crosslakeefc.org](mailto:sarah@crosslakeefc.org). If you have any questions, please call 218-692-4141.
