## HEART HEALTH TIP

Try to get at least 150 minutes per week of moderate aerobic exercise or 75 minutes per week of vigorous exercise (or a combination of both), preferably spread throughout the week. Even short bursts of exercise can be beneficial, and all those little steps will lead to big gains in the long run.

## GIVING OPPORTUNITY

We have two areas of need that you can help us with. The first is we are seeking to replace our two old vehicles with a newer passenger van. Simply give to the "van fund". The second area of need is our building fund. We have a number of projects coming up that we need to raise funds for. We must be hooked up to the new city sewer line by this September and we have several other projects for our building as the building is aging. Can you help us out with one of these projects?

## DEVOTION - ACTS: It's Not Just A Sermon Series-Part 2!

*submitted by Laurie Prem*

We are in the middle of a wonderful sermon series on Acts! But ACTS is also an easy-to-remember acronym for an effective prayer model: A: Adoration; C: Confession; T: Thanksgiving; S: Supplication. Today we'll look at confession.

We are all fallen creatures buried in sin, shame, and guilt. We can ask God to search us and show us where we have fallen short. Confession involves admitting our wrongs. Repentance involves a desire to change course. In repentance, we not only acknowledge our sin but take steps to overcome and forsake it. Daily, we need to deal with our sin and put it away so that we can move forward unhindered by it.

Not only are we to confess our sins to God, we need to confess to others we've wronged and ask for forgiveness. It's important to seek the forgiveness of those we've hurt, even if it is hard to do. Jesus said in Matthew 5: 23-24 "if your brother or sister has something against you ... First go and be reconciled to them".

As we have studied the Old Testament in Bible Study Fellowship this year, we have seen a recurring theme of God's people turning the wrong way, worshipping idols and rejecting God. Yet God's love is so strong that He always renews His blessings and love for His people if we humble ourselves and pray! What a marvelous gift we have in a heavenly Father who forgives us when we confess and repent!
