DEVOTION - Change the Course *submitted by Sarah Dawdy*

Our thoughts are extremely important, because they are the roots of our words, attitudes, and actions. Our enemy, Satan, suggests to us thoughts that go against God's will and nature, but we don't have to take them as our own words and mediate on them.

I find that the enemy frequently offers me wrong thoughts early in the morning, because if he can get my day off to a bad start, the rest of it will usually go badly also. Those thoughts may be thoughts of worry, fear, or discontent, or they may be ideas about being unkind towards someone who has hurt you. Thankfully, I don't have to keep them

just because the evil one offers them to me and neither do you.

We can eliminate the wrong thoughts and replace them with the ones we know are pleasing to God, and are in accordance with his will. Thoughts of love, gratitude, trust, courage, and joyful expectation, can fill our minds. Ask God to help you recognize wrong thoughts and quickly resist the devil.

"When you submit to God, and resist the evil one he will flee from you."
James 4: 7

"We demolish arguments, and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ." 2 Corinthians 10:5
