DEVOTION - The First Day of the Rest of Your Life!

submitted by Sarah Dawdy

Do you ever stop to think that today is the first day of the rest of your life, and that what you do with this day that you have been given is so very important? You have the ability to choose what kind of day this will be for you. Don't let the regrets of past yesterdays ruin today, but receive God's mercy. God loves new beginnings, and His mercy is new every day. Let go of everything behind you, and focus on THIS day. Choose to live with hope today. Hope is the exciting expectation that something good is going to happen in your life. The other choice is to be hopeless, sour, and negative, but why would anyone choose to live that way? We choose it sometimes, because Satan has deceived us into thinking that WE are the only ones

who can solve our own problems. We attempt to try to do what ONLY God can do. God gave you this day to enjoy, not to be miserable, frustrated, and negative. Today God wants to work in your life, but he cannot work through a negative attitude. God works through your faith. Put your faith in Him, and look for the good things in life.

Today begins the first day of my life with a repaired heart to be used for energy, praise and JOY! To God be the Glory for this gift of a first new day in my life! AMEN

Lamentations 3:22-23

"The steadfast love of the Lord, never ceases; His mercies never come to an end; they are new every morning, great is your faithfulness."

In Light of ... Bible Study

Why do we need to spend a lot of time doing this? Doesn't it make more sense to let the experts deal with this? This week we will look at the value of being familiar with the Bible yourself and why it matters since Jesus is the real deal.
