CONGREGATIONAL MEETING

Sunday - May 7th
following the morning service

This meeting will be held in order for the congregation to vote on the potential promotion of Pastor Troy for the role of Senior Pastor. Members who cannot attend but wish to vote may contact their elder directly or by calling the church office.

MAY 6-12TH NATIONAL NURSES APPRECIATION WEEK

The week ends on Friday, May 12th honoring the birthday of Florence Nightingale. Our church is blessed to have several nurses who attend and serve in our ministries. Let's take this opportunity to thank the nurses who serve so faithfully!

Our FAITH COMMUNITY NURSING MINISTRY gives themselves to the service of the Lord and makes a difference by providing care for all the church family through resources, visits to hospitals, care centers & homes, and developing visitation teams to call on the elderly and shut-ins. Adding nurses and volunteers to our ministry is vital to the diversity of the program.

Proverbs 17:22 "A cheerful heart is good medicine, but a crushed spirit dries up the bones."

DEVOTION - God's Perscription *submitted by Sarah Dawdy*

Do you know that you can feel tired and worn out from thinking too much? Mental tiredness is just as real as physical fatigue. Our minds need to rest, just as our bodies do. God's word encourages us not to be excessive in reasoning. Thinking about things is good and valuable, but moving into worry, anxiety, or merely relying on our own reasoning will exhaust us. After recent surgery, I was physically and mentally tired. "Rest and Recovery" was my medical team's directive for two weeks. My mind sprang into action, "how is this exactly going to work, I have a lot things to do?" The answer came very quickly from family, friends and co-workers. But the most overwhelming came from God.

"And which of you by being anxious can add a single hour to his span of life?" Matthew 6:27.

Focus on your Savior's "rest and recovery" plan. Immerse yourself in His calming presence during this important part of your journey. Praise God for this incredible uncluttered time with Him. Find your personal "rest and recovery" from the busyness of today's world, listen to the Great Physician in your life!

Philippians 4:6-7. "Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving, let your request be made known to God, and the peace of God which surpasses all, will guard you and your mind in Christ Jesus. "
