WELCOME TO THE LOG CHURCH - JULY 30TH

JOY IN SERVICE

Philippians 2:1-11

Service is something that can be a chore or something forced on us. What if it wasn't that but what if there was meaning to what we did? This week we see how service can be fulfilling, all because of who Jesus is and what He did.

DEVOTION - On the Lighter Side ...

submitted by Sarah Dawdy

1. Accept the fact that some days you're the pigeon, and some days you're the statue!
2. Always keep your words soft and sweet, just in case you have to eat them.
3. Drive carefully... It's not only cars that can be recalled by their Maker.
4. If you can't be kind, at least have the decency to be vague.
5. Never put both feet in your mouth at the same time, because then you won't have a leg to stand on.
6. Nobody cares if you can't dance well. Just get up and dance.
7. Since it's the early worm that gets eaten by the bird, sleep late.
8. When everything's coming your way, you're in the wrong lane.
9. Birthdays are good for you. The more you have, the longer you live.
10. We could learn a lot from crayons. Some are sharp, some are pretty and some are dull. Some have weird names and all are different colors, but they all have to live in the same box.
11. A truly happy person is one who can enjoy the scenery on a detour.

Have an awesome day and know that I think about you all day and all night!

Love, God!
