DEVOTION - "Lord, Teach Us to Pray" #1

submitted by Karen Kettleson

Luke 11:1 NKJV

The disciples had seen Jesus pray both in public and in His secret life of prayer. They had seen that He was a Master in the art of prayer—none could pray like Him. So, they came to Him with the request, "Lord, teach us to pray." There was nothing more wonderful that Jesus taught them than His lessons on prayer. And it is the same now, as Jesus is interceding at the Father's right hand, we who see Him actively praying feel the need to repeat the same request, "Lord, teach us to pray!"

As we grow in the Christian life, the thoughts and the faith of the Beloved Master in His never-

failing intercession become more precious, and the hope of being like Christ in His intercession gains an attractiveness we haven't known before. As we "see" Him pray, we remember that there is none who can pray like Him and none who can teach like Him. We feel the petition of the disciples, "Lord, teach us to pray," is just what we need also. And as we think about all He is and has, how He is Himself our very life, we feel assured that we only need to ask, and He will be delighted to take us up into closer fellowship with Himself and teach us to pray as He prays.

From *With Christ in the School of Prayer*, by Andrew Murray.

Please join us in thanking **Heather Jones** for nearly 4 years serving as our Finance Manager. She has done a wonderful job identifying ways the church could save money, improved our use of Breeze (our database system) and assisting in the church audit that is ongoing. Heather and her mother have recently purchased Pine View Child Care & Learning Center in Crosslake.
