The Charge Concerning False Teachers - Part 1

1Timothy 4:1-8

What a pastor says has an impact. It can be for the good or it can distract from God and His purpose for your life. Paul addresses this important topic this week as he continues to encourage Timothy as he leads in the church at Ephesus.

— Please Join Us — Congregational Meeting Sunday, Oct. 29th

following worship service
Everyone is welcome to attend.

A quorum of 45 members is required so that we can adopt the 2024 budget.

KINDNESS: We live in a world where the mantra is "be kind." Are they on to something? Is this type of kindness what the Bible talks about? You'll find a lot of overlap with love in this one.

Fred & Cindy Cressman Malawi, Africa

It was wonderful to have the Cressman's with us at church on Oct 15th. Did you know that they are working with Global Fingerprints on a plan to launch a Global Fingerprints site in Malawi? Global Fingerprints is the Child sponsorship program of the EFCA that specifically focuses on the most vulnerable - Children. Pray for this process and this exciting opportunity coming in the near future.

DEVOTION - Step UP to the Plate!

submitted by Nate Readel

How do you witness the light of Jesus in others life's? Do you make this a conscience effort each day? People we can see the hurt and pain this world has produced through sin. Put your antennas up today and just watch people. Most are walking around with a will of their own, with no authority over them to display the true living God. We collectively must step up more to the plate.

God has given us all gifts and whether you are an Evangelist or a prayer warrior etc, let's use the gifts God gave us to shine brighter everyday for every lost soul. "Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." Matt 5:16

Jesus meet with us today. Give us our marching orders. May you create more divine appointments that we may further spread the gospel and your light that is full of love, mercy and grace. Amen
