Devotion - Did You Know? *submitted by: Sarah Dawdy*

Spring is the season every year for renewal and rebirth of our surroundings that are perfectly timed just as God has created! He is a part of everything!

Scripture states clearly that "the Creator of the ends of the earth" (Isiah 40:28); "the Lord, who made heaven and earth" (Psalm 121:1-2); "the Lord, the God of all flesh" (Jeremiah 32:27).

Ask yourself if you are aware of how much God works in the changing of your seasons of renewal and rebirth. Is it possible we miss God as He works to fix a broken relationship because we don't want to see His changes that perhaps make us part of the solution rather than being part of the problem. Perhaps we overlook God giving us directions to manage our finances better to include tithing

because we don't want to give up anything we want personally. Without realizing, do we forget that God is willing and waiting to make our lives more Christ-like each and every day. Are you listening to Him?

Even when you feel like God is not around, the truth is that He has been deeply involved in your life since your birth. He's walked with you each stop of the way, and has sent His angels down to protect you more times than you will ever realize. None of us can ever know how many people God has brought into our life as a way to influence us and help us. All the events in your life, good and bad, God has used as opportunities to bring you to Him. Everything we experience has a purpose. He is the Master of renewal and new birth in all of us! Amen
