Devotion - "Believe that You have Received the Faith that Takes" Lesson 11

submitted by: Karen Kettleison

And Jesus answered, ... "whatever you ask when you pray, believe that you have received it, and it will be yours."

— Mark 11:24 RSV

Believing is the exercise of a soul surrendered and given up to the influence of God's word and His will revealed by Holy Spirit. And when we believe, nothing shall be impossible.

In one sense, there must be a believing faith before there can be prayer; in another sense, faith is the outcome and the growth of prayer. It is in the personal presence of the Savior and in a person's relationship with Him that faith rises to grasp what at first appeared unattainable. In prayer, as we hold up our desire to the light of God's will, our motives are tested, and the proof is given whether we are asking in the

Name of Jesus and only for the glory of God.

In prayer, we become conscious of our need for faith and are led to say to the Father that we do believe. Then we then ask Him for greater faith, proving the reality of our faith by the confidence with which we persevere in prayer. Then we wait for the leading of the Holy Spirit to show us whether we are asking for the right thing and in the right spirit.

In prayer, Jesus teaches and inspires faith.
