## Devotion - Is Joy & Peace in All this Chaos!

submitted by: Sarah Dawdy

We are surrounded by chaos everywhere we turn in the world of the internet. Phrases of "when will this end; why are so many things going wrong" and "when is God going to intervene and stop all this sin, hatred, and immorality?" When will joy and peace replace all the chaos?

Actually, the very chaos and moral decay in our world today are duplicate repetitions of centuries gone by. In the books of Habakkuk through Malachi, God's Word, provides us the same answers He gave many centuries ago! God longs for us to have peace and joy in the good times and bad times. He longs for us to be so grounded in

Him that this world cannot shake us. Difficult times begin to rob us of our relationship with God the moment we believe He is NOT in control.

John 14:27 "Peace I leave you; my peace I give to you. I do not give to you as the world gives. Do not let your hearts be troubled and do not be afraid." He will never leave you or forsake you. He is a God in control. He is a God with a plan. He is a God who provides us the internal peace and joy to be our only focus. His peace and joy transcends anything we will ever experience on this earth. Through our spiritual eyes, we will see the miracles He is preparing, but only in HIS timing, not ours!
