Devotion - Trust God's Timely Process *submitted by: Sarah Dawdy*

Our daily lives require us to exercise patience, whether the issues we face are small or big. Issues can run from simply waiting for a light to change when you are late, to more serious life changing events. Many times our impatience comes from waiting on God to answer our prayers in our time. These are all situations that require us to be patient.

Unfortunately, we cannot control every aspect of our lives. The situations we find ourselves in are sometimes simply beyond our control, and we must find ways to cope with them.

Romans 12:12 says, "Rejoice in hope, be patient in tribulation, be constant in prayer." In life, we will face trials. However, as believers, we can find hope in knowing that we have a loving God who is in

control of our lives. When we put our trust in His perfect plan rather than our own, we do not need to feel anxious, worried or impatient.

We do not have to struggle to find patience within ourselves. When we call upon God, He can give us the strength to be patient. While we may not understand the waiting period we are in, rest in the fact that God works all things together for the good of those who love Him. Rather than trying to make things happen, we can let go and give Him the power in our lives.

If you are in the midst of a season of waiting, remember that God's plan is greater than anything we could imagine. As His children, He does not withhold good things. When we give our lives to Him and are faithful in prayer, He will work through us in incredible ways.
