## WELCOME TO THE LOG CHURCH - SEPT. 29TH

### Knowledge Versus Wisdom

Wisdom is something we want, but isn't that just being really smart? What if I can't be that smart? This week we explore that, though wisdom involves being smart, it's not quite the way you think it is. In fact, wisdom is attainable by everyone.

## Devotion - The Power of United Prayer - Lesson 15

submitted by: Karen Kettleston

"... if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven. For where two or three gather in my name, there am I with them." Matthew 18:19-20 NIV.

One of the first lessons of Jesus in His school of prayer was to have a private place for intimate time alone with the Father. Now here His lesson is to pray with other believers in united prayer. The secrecy in which we meet God alone in prayer is like the root; public prayer is like a tree that grows above the ground and is seen. Both private and public prayer are needed equally for prayer's full development.

Believers are members of Christ's body. We meet together in prayer because of our common love for God. We meet in the Name

of Jesus acknowledging He is present with us. We must agree on what we ask, ask according to God's will, and then believe we receive what we have asked. And it is here in praying together that the Holy Spirit can manifest His full power.

Who can say what power (our) church could develop and exercise if it gave itself to the work of prayer? Let us come together and pray for the coming of Christ's kingdom and for glorifying God in the salvation of souls!
